## PROFILE

Competent graphic art, print and digital design, I work in an advertising agency. I am seeking new challenges as an art director. I approach typography, product design, and printing with passion. I like to take inspiration from the different graphic styles. My knowledges in software (Illustrator, In design, Photoshop...), let me express graphic concept in all projects. Serene and ambitious, I like working with deadlines, and challenges, which stimulate me.

## LANGUAGE

## PROFESSIONAL EXPERIENCE

### **PUBLICIS\_Art Director/Agency** (Annecy-France/ Since september 2015)

I am working with the creative director, on print advertising. Design for guidelines, branding, retouching for print advertising campaign. Graphic design for pictogram, flat design and packagings.

### **SOMFY\_Print Graphic Designer/Marketing** (Cluses-France/december 2014 to july 2015)

Corner creation for R+T show. Adaptation to the Somfy brand identity (cars, totbag, POS, beach flag...). Design and page layout for catalogues, branded packagings. Creation and development of communication tools for foreign affiliates promotion.

### **FERMOB\_Digital Graphic Designer/Marketing** (Thoissey-France/september 2013 to august 2014)

Update of the Fermob website (banners, home page, products...) and social network. Adaptation of the brand on POS, brochure, product card. Design colors to Fermob (textil, CMYK, RAL...). Colorization packshoot for the website. Furniture shoot.

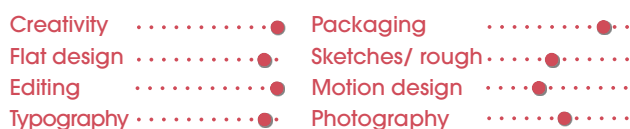

### **AILLEURS Y DESIGN\_Print Graphic Designer/Agency** (Grenoble-France/september 2013 to august 2014)

Branding, brochure, tools print advertising... (POS, beach flag, advertisement...).
